Dear Forest Supervisors:

I am appointing Rod Mendes, Fire Chief/ OES Director as my Agency Administrators Authorized Representative for the River Complex. I understand that the River Complex is approaching the 2013 Corral Fire Footprint and is within the Aboriginal Territory of the Hoopa Valley Tribe. I have concerns that you may be hesitant to move forward with your strategic planning process for determining Management Decision Points that may include Hoopa Tribal Lands. I want to make sure you have a point of contact for any assistance you may need from my office. The Hoopa Tribal Council is very interested in collaborating with you and the Incident Management Teams assigned to your forests, so we can continue to maintain open and honest dialogue. If you have any questions, please don't hesitate to give Chief Mendes a call at 530-784-7870.

Sincerely,

Ryan Jackson, Chairman  
Hoopa Valley Tribal Council
